Response

Hi Gordon,

Thank you for your interest in becoming an independent sales agent for Posso. We are excited to hear from you and the Scottish Business Coop.

I have reviewed your enquiry and wanted to outline the next steps and what working with us looks like.

What We Offer Our Agents

- Competitive commission on every sale - POS, kiosks, signage, ordering, card machines
- Full product training - Posso One platform, hardware, and pricing
- Marketing materials - brochures, demo access, co-branded collateral
- Dedicated account manager - single point of contact for quotes and installations
- UK-wide opportunity - we install and support nationwide

Why This Works for Your Members

As a business cooperative, your members likely include restaurants, cafes, takeaways, and hospitality businesses across Glasgow and Scotland. Posso One gives them:

- Digital signage - menu boards and promotions from one dashboard
- UK-based support - setup, training, and ongoing help
- Competitive pricing - POS from 499 + VAT, kiosks from 699 + VAT
